NEWSLETTER

January 2018

Happy New Year!

NEWS & ANNOUNCEMENTS

Thank you to all of our ACEC families for supporting our Christmas program. We are so proud of our children and teachers for all their hard work.

There will be a few child transitions in January. The transition will begin on Wednesday, January 3rd.

CENTER HAPPENINGS

I will be spending January looking through the Parent Handbook and making corrections, adjustments, and additions. Be on the lookout for adjusted policies and maybe even some new ones!

We will begin using the Remind system in January. January will run as a trial period as we learn the system and work out the kinks. February 1st will be the official launch date. Please be on the lookout for the information in your child's cubby!

INCLEMENT WEATHER

If Greeneville City Schools are closed due to inclement weather, the Center will not open until 8:00 a.m. In the event of exceptionally severe weather, it may be necessary to close the Center entirely. If the city ESP program is closed, ACEC will also be closed. Please listen to radio station 103.1 or watch television channel 18 or your local ABC, NBC, or CBS television channel for closing information.

****Our front parking lot can be dangerous in severe weather. IF the chain is across the entrance, please drive to the rear of the church and enter the Center from the dumpster area steps to safely drop off or pick up your child.**
