Huge THANK YOU to everyone that consigned, volunteered, and helped to organize this year's fall consignment sale! We really appreciate all you do for ACEC! Special shout out to Sharon and Susan! We couldn't do it without you!

Your children have been very busy working on special art projects for our Square 1 Art fundraiser. Ms. Kim has been instrumental in the planning of this project. ACEC will get the student catalogs on October 24th and all orders will need to be back to us no later than November 7th. We should have the items back by November 28th. These items would be great Christmas presents :)

Don't forget to link your Food City value card to help ACEC!
