Hello ACEC!!

Hello! My name is Laura Gosnell House and I'm the your new director here at Asbury Child Enrichment Center! I am married to my wonderful husband Nathan and we have a 7 year old son, Max! I am excited, and so grateful, to be given the opportunity to work with such an amazing group of people. I have a bachelor's degree in Child and Youth Development from Milligan College and 11 years experience in the early childhood education field. I worked as the lead teacher in the infant classroom at ACEC from 2008 to 2011 and then with Head Start for the remaining years. I served as an Education Specialist/Mentor Coach for 5 of those years. I believe the Lord originally called me to early childhood education so that I could make a difference in the lives of children, but while working as an education specialist and mentor coach, I believe he changed my calling to working with teachers in hopes of helping them create the most enriching environment conducive to learning. I can't wait to watch ACEC grow and I'm so honored to be a part of the growth! Thanks for welcoming me to the Asbury family.
