**\*Preamble of the United Methodist Constitution**

The church is a community of all true believers under the Lordship of Christ. It is the redeemed and redeeming fellowship in which the Word of God is preached by persons divinely called, and the sacraments are duly administered according to Christ's own appointment. Under the discipline of the Holy Spirit the church seeks to provide for the maintenance of worship, the edification of believers, and the redemption of the world. The church of Jesus Christ exists in and for the world, and its very dividedness is a hindrance to its mission in that world. The prayers and intentions of The United Methodist Church and its predecessors, The Methodist Church and The Evangelical United Brethren Church, have been and are for obedience to the will of our Lord that his people be one, in humility for the present brokenness of the Church and in gratitude that opportunities for reunion have been given.
